CHN 001A: Accelerated Intensive Elementary Chinese [15 units] (CRN 60553)

144 Olson Hall  |  MTWRF 9:00-11:30am  |  Instructors: Lu, Wang and Li

The ability to speak Chinese is a highly desirable skill in a number of fields. Students who learn Chinese before entering the job market will set themselves apart from their peers. In addition, students of Chinese will get to enjoy the rich history of Chinese literature, drama and cinema. Join us for this condensed and accelerated program that covers Chinese 1, 2 and 3 – the whole Elementary Chinese series – in just 12 weeks.

Complete 1 full year of language instruction in just 12 weeks!
Begin to master a valuable skill that can open all sorts of doors.
