The Japanese Summer Intensive is a special 12-week accelerated course that combines the work of JPN 01, 02 & 03 (the Elementary Japanese series). Japanese proficiency is a valuable skill in many business fields and also grants the student access to a rich history of literature and to modern entertainment. Preview the course material at: http://ealc.ucdavis.edu/courses/course-descriptions-2. (Not open for credit to students who have completed JPN 01, 02 or 03 at UC Davis)
